“ I am so sorry for the death of your sister. We had been communicating on facebook and then email. I remember when we tried out for jr. high cheerleader and she got so scared she ran out. I was so pleased to hear that she had taken a class to help her confidence. And she was very proud of her salon and having cut Jay Nixon's hair. We have a connection in that both of our middle names are spelled the same. Also Homer Ross's son , Jim, farms our farm 2 mi.west of the Alice Church. I remember her fondly.

“ Clayton, Kristy,  
I'm so sorry for your loss.

*I don't know if you remember me but I remember Donna with much happiness. We shared a lot of time growing up. Playing in your dad's Butler buildings and all the "clubs" we started. Playing war in the grass fields, etc. And then you moved to Gravois Mills. I vacationed with your family when Fish still had the resort, your parent's bought it shortly after that vacation. That was the year your dad was snoring on the lawn chair and a bird pooped in his mouth!!! Donna and I laughed a lot about that, your dad came up out of that chair coughing and spitting.*

*I guess what I am saying is I hope after all the grief and sadness your memories of Donna will be filled with the good and the funny things that happened in her life.*

“ Please accept our sympathy and prayers as you go through the days ahead.

*I am sorry we are unable to make the trip for the services, but I would like to send you some of my thoughts and memories . Please send me a current address I can respond. My best memories of Donna and all of your family are the times we came to visit when I was a child. I can't put a date with those visits but they are certainly fond memories. It was at your parents resort that I learned to fish and enjoy the water. We played and had great times doing the simple things in life. Donna was a big part of that. My sister Bern and Kristy were the youngest so we were told to be careful and keep an eye on them to make sure no one got hurt (not always an easy job)*

*I will be thinking of you in the days ahead and hope to hear from you. I am unable to travel this week, but if we are able to come to the lake I will try to get in touch.*

*Thinking of you. Billie Koch Janssen*
