Timothy David Hilty

June 10, 1971 - November 8, 2024

Timothy David Hilty, 53, of Eureka Springs, Arkansas left this weary world for his eternal home on November 8, 2024, at Mercy Hospital Northwest Arkansas in Rogers, Arkansas.

Timothy was born June 10, 1971, in Jefferson City, MO. His parents Pete (Paul) and Wanda Hilty raised him in a loving home on the “farm” as he often referred to it. This was not a place Tim appreciated much growing up and even most of his adult life, but it was a place he had learned to treasure in the past couple of years. He found peace and comfort in the familiarity of family and the simple life. Timothy had one sister, Rachel Hilty Faron (husband Justin) of Versailles. He was “Funkle” Tim to Abigail Viebrock (husband Joe) of Stover, MO, Joel Faron (wife Harley) and Anna Faron all of Versailles, MO. Tim also had one great nephew Jace Viebrock.

Timothy was a 1989 graduate of Morgan County R-II school. He had many off and on jobs over the years. He began working at Zark’s in Eureka Springs, Arkansas in the late 90’s. The opportunities that working at the gallery opened up to him was an adventure that even exceeded his expectations. He then moved to Utah and eventually became the owner of the Silver Queen Art Gallery in Park City. In 2017, as his parents and he himself began facing health challenges, Tim felt the desire to move closer to his family and friends and become the owner of the original gallery Zark’s in Arkansas. This was a

hard decision for him to make and went through many dark days during this new transition. In 2020, Tim rededicated his life to the Lord and was baptized soon after. In recent years, Tim began making jewelry with the guidance of special friends and work family. In 2023, through the help of his Arkansas family Tim was able to unselfishly come back to Versailles and help take care of his mother as she battled Parkinson's. During this time Tim began to develop some of his own health problems and was learning how to navigate his new normal. Tim was a great friend to so many and had a way of making everyone feel special. If he counted you as a friend then he counted you as family. To know Tim was to love him. He has left a huge hole in two communities, one here in Missouri and one in Arkansas.

A come and go Celebration of Life will be held Sunday, November 17th from 12:30-2:30 at Providence Fellowship Center in Versailles, MO.

In lieu of flowers, memorial contributions are suggested to be made to his family to assist with sorting through his affairs.

I am truly sorry. I just discovered this. Timm gave me the opportunity to show my work at Zarks in the new location up the street, but unfortunately, he was real sick by then and we did not have an opportunity to hang my work on the walls, because he did that himself. I have been coming to Zarks for many years in both locations.the art in his gallery was always unique and special. He was indeed a special person and I will miss him very much.

with condolences from one of Tim's 'people' in Park City. We had too many fun times to count, especially during the Sundance Film Festival, when Tim ('double M' to us) would entertain everyone, especially the many celebrities that came through the gallery. I learned from him and loved to watch him work his magic with sales. So sorry he's gone.
