“ Well too many memories to write but all it took was hello it had been like no time had passed between us. We were meant to be friends because 40 years plus we still got each other's jokes,snide comments,and laugh at absolutely everything. I love you always.

“ Very nicely done Lesa. I can't believe it and the memories are flooding me. If I'd known she was leaving, I'd have made a point to have said goodbye. She will always have a piece of my heart. She was always full of love. I'll never forget her.
