

Anne Irene Connole

June 25, 1975 - July 6, 2018

Anne Irene Connole, an angel flying too close to the ground, passed away Friday, July 6, 2018, at SSM Health St. Mary's Hospital in Jefferson City. She was born June 25, 1975, in Columbia, Kentucky, a daughter of Jeffrey and Kathleen (Blackwell) Connole.

On October 5, 2002, at Ha Ha Tonka State Park near Camdenton, she was united in marriage to her surviving husband, Elliott Raymond Dunn.

Anne graduated from Central Missouri State University in Warrensburg with a Bachelor's Degree in English and Creative Writing. She was employed at Walmart in Versailles for the last ten years working in customer service and the accounting department.

She enjoyed spending time quilting, sewing and making handmade greeting cards. Anne loved listening to music and was an avid fan of U2 and Bruce Springsteen. She was so blessed to attend the U2 concert she had been looking forward to for several months. On July 1, 2018, she and her mom traveled to Madison Square Garden in New York City and her dream of attending her thirteenth U2 concert was fulfilled.

The family would like to extend a special thank you for the wonderful care Anne received from Dr. Haddadin and his staff at JCMG and also SSM Health St. Mary's Hospital.

"There's two dates in time that they'll carve on your stone and everyone knows what they mean but what's more important is the time that is known in that little dash there in between", Garth Brooks, Pushing up Daisies. Anne is gone but will never be forgotten.

“ I will always remember Anne's smile and everlasting positive view of life's negative events. May we each carry some of her spirit forward in our own trials. My prayers are for Elliott and Anne's family to feel peace that she is around each of you as you walk through your grief.
