“ Casey was one of the very first friends I made when I moved to Missouri. I haven't seen him since 8th or 9th grade and still it seems impossible that he is gone. RIP MY FRIEND.

“ Casey had a good heart. I was blessed to have him as a student for many years. I enjoyed watching him grow to be a fine young man. He never used adversity as an excuse. I remember his senior year was extremely trying, but he had a perseverance beyond his years. He was always helpful, dependable, reliable and kind. I will remember him fondly. Praying comfort for the entire family.

“ Casey was an amazing father and friend and family member to anyone who knew him. He would do absolutely anything to help anyone out, it was just his way. He had such a huge heart for helping others. His laughter and smile was contagious to anyone who was around him. He will be greatly missed, but will live on in our hearts forever.
