“ Dave was a great neighbor at the lake. He was the most meticulous man I think I've ever met. Always spit shining his car. So sorry to hear of his passing. My thoughts & prayers are with your family.

“ My memories of Dave is from Zack Wheat Post 624. He was always available to drive the van for veterans functions, he was a delight to be with, always had a smile and a nice word. He always helped the Auxiliary with the poppy drive and his shift always brought in the record donations every year, because he was able to share stories with other veterans, his easy manner and smile is what attracted others to him. He loved working trunk or treat and the kids loved him. He was polite and sweet and he will be sorely missed by the Auxiliary.
