

Franklin Delano Harris

November 27, 1933 - May 5, 2020

Franklin Delano Harris, 86, of Laurie, Mo., passed away from complications of lung cancer on Tuesday, May 5, 2020, with his son by his side. He was born on November 27, 1933, in Milan, Mo., the son of Hazel and Everett Harris.

He graduated from Milan High School in 1951. He held a degree in agriculture from the University of Missouri-Columbia, a master's degree in public health from the University of Nebraska, where, except for submitting a dissertation, he also completed a Ph.D. program in public health. He served in the U.S. Army 2nd Armored Division in West Germany from 1956 – 1958.

In 1958, he married Phyllis Kay Badger of Browning, Mo., and they celebrated 61 years of marriage last August before her unexpected death in November. He is survived by a son John (Cari); and by three grandchildren, Ashley and Brandon Rinne and Claire Harris. He was also preceded in death by his daughter Cynthia Rinne.

For 27 years, Kay and Franklin called Lincoln, Neb., home, where Franklin was Bureau Director of the Nebraska Department of Health. They raised their children in Lincoln and hosted many friends and relatives when Mizzou played Nebraska. He was a member of Elks Lodge #80 and later Lodge #2705 in Laurie, holding leadership positions in both. He was a 50-year member of the Masonic Lodge.

In 1995, Kay and Franklin retired to the Lake of the Ozarks near Laurie, Mo. There they were excellent hosts to family and friends who stopped by often. Franklin was a life-long Democrat, and he was a keen and curious observer of social and political changes during his long life. He loved boating and especially enjoyed Elks outings in his pontoon boat on a 90-mile trip to Warsaw, Mo.

He loved entertaining the larger Harris family for annual gatherings dubbed The Big H. He was happiest when family gathered on the patio and children were running around the dock and, jumping into the lake and going on jet ski rides. He was looking forward to the

2020 Big H gathering in July.

Private graveside services were held on May 7. A celebration of Franklin's life is planned, if circumstances permit, at 10 a.m., Friday, July 17, 2020, at the Kidwell-Garber Laurie/Sunrise Beach Chapel, 417 Silvey Road, in Laurie.

Memorial contributions may be given to the Ozarks Kat and K-9 Shelter, 17290 MO-5, Sunrise Beach, Mo., 65079, or the Ozark Chapel United Methodist Church, 305 N Main St, Gravois Mills, Mo., 65037.

Arrangements are under the direction and care of the Kidwell-Garber Laurie/Sunrise Beach Chapel.

Comments

“ I am sorry to have learned today of Frank's passing. My deepest sympathy is hereby extended to his family. I worked with Frank many years ago at the Nebraska State Department of Health. He and I were Bureau Directors, he over public health education and I over professional licensure. We spent much time working together to establish and implement health policies, including state and federal statutes and regulations. Frank deeply cared about the health and wellbeing of Nebraskans and the people with whom he worked.

“ I'm delighted to say that Frank was my first boss and a great boss. He respected my abilities and never lowered himself to being a micro-manager - a skill many managers never learn. Frank laughed often and my wife and I have many memories of parties he and Kay hosted. Our thoughts are of his family and I'm sure they know Frank and Kay were lived by all who knew them.

“ I had the honor to work for Frank as my Bureau Director at Nebraska Department of Public Health for eight years. He was a fair, kind, honest administrator who was approachable and truly cared about his employees. I so much appreciated Frank's knowledge and practical approach to solving issues. He was one of those special administrators who made you feel valued and created a work environment where it was enjoyable to come to work everyday. Thank you Frank, you were one of the best. I will light a fire and have a drink in your honor tonight. May the force be with you.....

“ Frank and Kay were our best friends in Lincoln. My husband and Frank worked together for 30 years at the State Health Department. So many wonderful memories of many, many good times we shared together. Sincere sympathy to John and family.
