“ Aunt Helen, a lot of folks are sure going to miss you. I know Dad did, because he used to tell stories about all of you kids growing up and he always smiled and laughed when he talked about you. When we moved to Alaska in 1957 he left all his family members behind except your Dad who lived in Skagway, where we settled. So I didn't grow up with the rest of the family but loved going back for visits and hearing tales you all told on each other. I know he loved you a lot, and so did Mom. Most of the family has left us now and I hope you are all gathered together sharing love, stories and lots of good old family favorite foods. Knowing you, you'll be the one getting everything and everyone together for the feast and the fun. Watch over all of us left down here please, and know that you will always be loved and missed.
Love, Cheryl Self Putnam of Juneau, Alaska
