“ I will always remember Mr Kelly, he was the first person to take a chance on me when I opened my shop. Thank you for that.
I will miss our football talks and yes, I will miss our private joke about pins poked into a picture. Thank you Mr Kelly for being my friend

“ It was a pleasure to work with John. John was my manager but also my friend. He always had a smile for you and was such a calm person. I have such fond memories of him and one of my favorite was when he would ask if I had an extra pair of readers he could use. The only ones I had were bright red ones with rhinestones on the rims, he wore them with a smile. I will always keep those glasses as a reminder of a dear friend. My love to all his family.
