Comments

“ I had the pleasure of meeting Judy this past year and knew right away that we were kindred spirits. Her love for Merle was in each of our conversations. Their love a great inspiration. She had a determination of spirit that I Admired, a real independence that was unusual. I've never meet anyone who faced the end of life with such faith and exceptance. I only wished that I had more time to hear her life story. Heaven gained an angel. She will be missed.

“ Will miss her smiling face and little red convertible. Had many lunches when she was still able to get to Val's for lunch and talk.
Prayers for the family.
