“ Dear Mike and Family, I am so sorry to learn of Marleen's passing. I am in shock at this horrible news. We have been friends since 1967. We met when I was hired to take care of Bruce and Cindy while you and Marleen worked. What a lucky thing for me. I loved Marleen, we connected. She was a wonderful person. I so looked forward to her annual Christmas letter every year. We grieved together when I lost Tim and when she lost Chad. I will be keeping you and your entire family in my thought and prayers. God Speed, Marleen!! Love, Shirley
