“ Mary was a very wonderful Lady who I thought a lot of. She always made me feel like a part of the family when my brother was married to her daughter, Pam. When her and Roy would come to Sedalia with friends, they would stop at the Medicine Shoppe where I worked to say hi..... That meant so much to me. They both hold a special place in my heart and will be greatly missed! I know she loved her family very much! My thoughts and prayers are with the family!

“ I knew Mary for quite some time she was a good person. Mary was always there for Ruth and I she loved and helped us with the kids alot. I know that Mary(grandma)will be missed deeply by all of the kids. Mary loved to cook she always fixed holiday dinners so all of the family could get together and those were some memorable times .Can you imagine what she has seen in the 96yrs that she lived in Versailles's I bet it would have been interesting to hear some of the stories. I know she will be missed. My thought's and prayer's go out to all of the family.
