

Richard L. Horner

October 10, 1944 - September 26, 2020

Richard L. Horner, age 75, of Versailles, moved to his Heavenly home on Saturday, September 26, 2020.

This is not your typical obituary as Richard was not a typical man. He saw the good in everyone, never made an enemy and loved with his whole heart. Always ready to lend a hand when needed. Even when his own health was deteriorating.

He is survived by his wife, Sherry at their home in Versailles; children, Richard Horner, Jr. and wife Jennifer of Indiana; Melissa Oxford of Versailles; Kelly Ruth and husband Jeff of Jones, Michigan and Tim Horner and wife Kelly of Windsor, Missouri; grandchildren, Zachary Wyatt Oxford of Versailles and Meghan Horner of Sedalia, Missouri.

He attended the Lakeside Community Church in Gravois Mills and was a pillar of that church for many years.

He was preceded in death by many loved ones, but most importantly was looking forward to being reunited with his precious grandson, Anthony John Oxford whom we lost in 2006.

He is survived by a large family that he called his own, whose love for him surpassed all human understanding.

He will be missed by many, but will be dwelling in his Heavenly home until we all meet again over there with him.

Graveside services and interment will be held at 10:00 a.m., Wednesday, September 30th, in the West Lawn Addition of the Versailles Cemetery with Roger Readenour officiating. In lieu of flowers, memorial contributions are suggested to the family or Kidwell-Garber Funeral Home to assist the family with medical expenses.

Arrangements are under the direction and care of the Kidwell-Garber Funeral Home of

Versailles.

“ Richard was a quiet unassuming man but probably one of the smartest people I know. He was an inventor and mechanical genius. My brother Jim and I spent many hours fishing with Richard. He usually caught the most fish. We will miss him greatly. Looking forward to a reunion in heaven with him and others. May God bless his family!.

“ Unc was an amazing and sweet man. I will never forget how he always tried to make every visit fun pulling us on the sled behind his four wheeler (which was a blast though likely not allowed now), pushing us into the pool, and always there with a hug when we needed one. I will miss him always.

“ I always think of how much he loved the dog I gave him. Can't remember where it came from or why we called him what we did but he loved his Mickey Duck a beagle dog.

“ We were amazed at all the talent wrapped up in this one man. Everytime we stopped by their house on the way to the lake, a new project had been completed. The next time I saw Richard, I was going to bring my favorite pot that had one handle missing. I just knew he would be able to come up with a solution to replace it. I guess, some day, I'll have to take that pot to heaven with me so he can fix it! George and Teri Weiter
