“ Sandy was a very special person to me, and I miss her very much. I often think of the wonderful times we had flying Asia together for almost a decade. She was not only a great flight attendant, she was a very sweet, loyal, caring person. She loved Don very much and I know that it left a void in her life that was impossible to fill, after his passing in 2014.

During our flying days, her husband Don and my husband Billy Tom would accompany us from time to time on our trips, especially when we flew what we called the "Delta Dream Vacation". It was an 8 day trip taking us to Seoul, Taipei and Bangkok over that 8 day period, allowing us to shop until we dropped! We spent many long days at the "weekend market" in Bangkok, with Sandy looking for unusual treasures of ancient times while i was collecting Kalagas. Those were the days! Sandy had another love in her life, Noche! Her Black Lab. She loved that dog and while I was shopping for my children's clothes on our trips, she was looking for bandanas for her baby, Noche. She truly loved that dog.

Sandy loved her family; her sisters Linda and Beverly and her nieces and nephew. Many summers were spent with them when they rented a house in Galveston, Texas for a week. Those times always included her special friend Stephe Gorchoff, a dear friend to Sandy that shared the love of Arabian horses for decades.

Sandy was one of a kind, and will always hold a special place in my heart, and was a true friend I was privileged to share many decades of life experiences with, while flying the world!

What a ride we had! Thanks for the memories and while you may be looking down on us from Heaven, you will always have a special place in my heart.

“ Linda, so sorry of Sandy's passing. However as you said, "she is with Don now". She was a special lady and I always enjoyed visiting with her. I am so thankful that you were here with her.
