“ Terry is my cousin and to me as superheroes as she was a little older than me and a teenager when I was around 8 9 and 10, and I remember her mom chasing her around the house outside with a flyswatter. It was the funniest thing I had ever seen But Terry didn't find it too amusing LOL. But I remember her room I remember all of the posters of the guys and I thought it was the coolest teenage room ever seen. I loved her dearly and I just found out tonight she has died 2 years ago. My heart is breaking tonight for Terry. I miss you Terry. I miss the watermelon I miss the homemade ice cream I miss you parents who I had wished were mine as well. I love you. , Love, Melanie Braden Smith
