“ Tim would not hardly talk to me when I started working at the Group Home where he lived. After a year of me being there he started in with his jokes and teasing and pranking me. He was an AMAZING man to get to meet. GoD is so good and powerful! Thank you Tim for your games. I love you Buddy!

“ I met Tim 44 years ago in Abilene, Ks through his sister Oneta. She was kind enough to share Tim with me. He had a heart as big as his smile. He stole my heart. He brought many laughs and chuckles. I remember him riding his 3-wheeled bike. They lived on a corner with a sidewalk that allowed him to ride up one side and down the other. It is great to know he no longer needs a 3-wheeled bike anymore. I had the pleasure of having and being a "pen pal" with Tim for the last 20+ years. I will miss sending cards and getting postcards. When he loved someone he loved them for life. I was blessed enough to be loved by Tim. I pray he knew how much I loved him. My heart is breaking , but my brain is happy that he is with Jesus, running, singing, walking unhindered. He has a perfect body. He no longer has ANY handicaps to hold him back. I love you Tim. Thank you for the years of laughs, smiles and times when your postcard brought sunshine to my day. Thank you Oneta and the Kruse family for sharing such a special wonderful man with me for 44 years. “ Tim was such a nice, quiet man. When he did speak it was worth listening to. He had a great sense of humor and always could make me smile! I sure will miss him and look forward to seeing him again some day!
