“ When I first started working at Versailles Walmart, Trish was one of the first to welcome me. I worked overnights and when she became the Department Manager of Frozen and Dairy, I worked under her in Frozen for awhile. She never had nothing bad to say about anyone, and one of the first to volunteer to help in the time of need. As much as she had helped me, I wish I could had been there to help her more. Gone too soon, but will never be forgotten! Fly high my friend. You truly are an angel.

“ I worked with Trisha at the Versailles Wal*Mart until I retired in 2018. What a bright shining and friendly face she had. She will be sorely missed. Take special care of her LORD as she was one special girl to all of us. God Bless her family and comfort them through this trying time.
