“ I miss you so much already. I wish we could have laughed one more time together. I didn't think our time was as limited as it was. Thank you for everything Aaron. I mean that from the bottom of my heart. I love you.

“ Aaron was one of the best friends I've ever had. In all the years we never had a bad word between us. He was a good man, better father, the the best brother in law a guy could have. Still can't believe your gone. Say hello to my Dad for me, and keep the fire lit till I get there. I'll keep an watchful eye on your youngins. You would do the same for me. I'm sure gonna miss you Aaron. Till we meet again, in the great hunting grounds.
