

## Albert Raymond Clausen

December 21, 1932 - September 13, 2024

Albert Raymond Clausen, 91, passed away Friday, September 13, 2024, near his Missouri families' home in Eldon, Missouri, in the presence of his caretaker and nephew, JD Montgomery.

He is survived by his four children, Herbert and wife Fran Richardson of Sparks, Nevada, Jonny Richardson of Santa Cruz, California, Ronnie and Sheryl Richardson of Twain Harte, California and Allen Clausen of Driggs, Idaho, his sister Helen Coleen (Clausen) of Loman Salinas, California and brother Pete Clausen Prunedale, California.

He was preceded in death by his beautiful bride Ada Bell (Montgomery) Clausen, parents, Fred & Helen (Perry) Clausen, his loving daughter Peggy Souza of Denver Colorado, his brother Fred Clausen of California, brother-in-law Edward Montgomery of Lone Jack, Missouri and brother-in-law Don Montgomery and wife Peggy of Buckner Missouri.

After owning, managing, and operating many restaurants and bars in northern California, Ada and Al spent their retirement years (30+) working together at Kennedy Meadows Resort and pack station located in the Stanislaus National Forest. There, they built lifetime friendships each summer. In the winter months, they loved traveling to the southern states and Mexico where they enjoyed long walks and time in the warm sun together with friends.

Al married Ada and instantly became dad to four children. He promised to raise them and always saw them as his own children. Together Ada and Al had one son, Alan Clausen. He enjoyed many family activities and was committed to each of his five kids. He had a very special relationship with Ada's family and always enjoyed being together with them. He cherished his grandchildren, great-grandchildren and numerous nieces and nephews who brought him much joy. Two years ago, he asked Jesus Christ to be his Lord and Savior. A fact that caused Ada and him both to weep together.

“ My Uncle Al was an amazing man. He loved his family with all of his heart and soul. They we everything to him. Especially his Ada B, our precious aunt of whom we loved dearly. He was so thankful that she did not have endure his death. He wanted to only give good things to her and keep her from all harm. He dedicated every bit of his strength to love her and keep her safe. I will forever be grateful for his example of love and his dedication to family. Taking care of him and Ada B over the last two years has been a true blessing for me. I am thankful they entrusted their lives to me. Getting the opportunity to pray with Uncle Al as he surrendered everything to Jesus was a highlight of my experience. Today he is with our precious Ada B and his Jesus. Together forever!

“ Grandpa set up the camper for the kids to stay in and they had a wonderful time! He was quick with his wit and often made us all laugh! His love for his whole family was amazing❤️ he and grandma made friends everywhere they went and it was truly wonderful to have them in our lives. Their visits to our driveway in the camper have been missed, but we'll always remember how much we were loved❤️
