“ *I remember the year that Al and Debbie let me stay with them, and then we went on to Scrap the Crap together. Upon our return we cleaned the RV and tried to get the propane system to work. We finally got it lit and after 5 minutes found the RV was on fire! We pulled our own fire drill and got it put out. Al was always welcoming and opened his home and heart to all. My thoughts and prayers are with you, Debbie.*

“ *To Debbie and Al's family. It's been years since you moved from Kansas City to the lake, but the memory of you and Al is still fresh in my mind. The two of you were outstanding members of the KC BMW motorcycle club and Al's years as an Ambassador were instrumental in helping the club grow. I am thankful I was able to walk a short distance on the path of life with the two of you. These memories are cherished.*
