I remember Cousin Alean and Johnny Landes coming to visit my grandparents Irvin and Frances (Kubli) Busker in Mokane, MO many times. Cousin Alean was my father's (Alvin Busker) first cousin. Both Alean and Johnny were always joking and the center of many conversations with all of us. I was a small girl then but grew to love talking to Cousin Alean in later years. My daughters and I visited her when she lived in Clinton a few times. Cousin Bertie and she used to visit my Aunt Fern Busker in Marshall at the Golden Acres Retirement Center. Alean will be missed for certain. May she smile down on all of us from those golden streets of Heaven! My sincerest condolences to her family.

“ I have many special memories of Alean. I remember the first time Alean and John visited us in Concord. We hit it off immediately, Visiting them at their lake house was so much fun. Then we went to their 50th anniversary and another fun time. Can't forget about the reunions at Bob's daughters. Alean was always the life of the party, In Colorado we all wanted her to make dumplings and oh how good they were.

I could go on but I know she is walking the streets of gold.

Alean we loved you and you will always have a special place in my heart.

“ She was a beacon of love, family, and kindness. Aunt Alean regularly came out to California to visit her son Jimmy's family, Big Jim, my father-in-law, and her cousin Bertie. She experienced her first major earthquake in 1993 and stayed in our home after until the earth settled. She enjoyed making her 7-bone roast with homemade noodles. She always thought the boxed cake mix was better in Missouri and would bring one or two in her suitcase. I will never forget her smiles and her contagious giggles. May she Rest In Peace and know she was deeply loved by Paul, Shirley, and Jake Egbert.
