“ Dear Leo and Todd, I was so sad to learn of your Mom's death. Don't know if you remember me, but I visited with you all when you lived in St Joe. I live in Leavenworth,KS.

It's terrible how we lose touch with people we care about. If you recall, your Mom and I were in nursing school together, 1962-65. Wow, ancient times! I hope she didn't suffer too long. Prayers and peace for you both.
