“ *I can remember when I was probably 10 or 11 grandpa bringing me a new BMX bicycle. And going fishing at the lagoons near Bent Tree. Oh and then the big fish story when Grandpa, dad and I went out in the old wooden fishing boat on the lake if the Ozarks to check the trot line and I'm pretty sure grandpa was pulling the line up and the big one got away. I'm pretty sure the fish hook went through dads finger.*
