“ *We rode the bus together while I was in grade school. On the afternoon ride we would sing in the back of the bus as the ride was roughly an hour and she made it fun. Sweet memories of this time. Thoughts and prayers for you all, so very sorry for your loss.*

We rode the bus together and I remember she wanted to sing even then on the bus I'd sit with her, we'd sing in the back of the bus on the bumpy ride. Praying your memories bring comfort. So very sorry for your loss.
