“ I too had the honor and privilege of spending a few days with my Uncle Art and Aunt Freda when we return home from Germany many years ago. At the time we had our four little girls with us. We were traveling from the east coast to the west coast when we called them to see if we could visit with them for a few hours on our way through. They took us in and insisted that we stay the weekend. What a wonderful visit we had with two very special people. I remembered Aunt Freda teaching me when I was very young this thing where you could put your hands together and twist them and you two pointer fingers would come out on either side of you hands. We again shared that memory with her during that visit. I have shared that with my children and they in turn with their children. What a fun memory!
Thank you for being their friends and being there for them both

“ We had the joy of getting reacquainted with Uncle Arthur on a visit in Laurie in April 2010. What a treat it was for us. We had hoped to make a return trip to see him in the early fall, but he took his own journey to be with Aunt Freda.

My Mom often spoke of her next older brother with love and great affection. She (Mary Jordan Christensen) and Dad (Carl Christensen) took many opportunities to visit Uncle Arthur and Aunt Freda through the years. Those visits were special to her and I'm sure she is happy to see him once again.

Uncle Arthur expressed his gratitude for Jeri & Judy and the unfailing care, kindness, and friendship you have extended to him for so long. From his 'far-away' family in Idaho. Thank you so very much for all you did to make his life happy and easier.
