“ My heart broke in two - I wept as I realized I should of searched for you long ago. I searched so long for you- so much time had gone by but you were always a piece of my heart! Absolutely the most genuine friend I ever had. 2 girls out of place in a new place - we found each other. I love you and forever will miss you. I know you are at peace my beautiful friend and in my minds eye- the laughing - full of life - wind blowing in your hair as we drove around- trying to get through teenage life. I could not have survived without you there. Xoxo Lisa
