“ Can't share just one memory. Barb and I over the years since we were 15/16 have shared so many. We were so close during our high school years. Playing sports, double dating, spending sleepovers at each others homes, studying together for those awful tests---> My last memory is of her calling me on my birthday 8/14 3 days after her birthday---she called before I was even awake---talked to Rod for a long tiime--then he woke me and we talked. Missing a piece of my own life is what has happened ---- I suspected something had happened when I did not get my usual Christmas card I de-cided to do some invesigating and I found this obituary---- I am so sad for myself right now. Loved her like a sister! Sorry for your loss---David, Danny, Donnie and Debbie. Your Mother was one of a kind. She would laugh when she was sad, Cry when she was happy. Best friend I ever .
