“ We met Beach & Ellen 8yrs ago when Lowes sent them to our house to do the tile work on our kitchen update. Not only did we get a quality job but most important friends that we treasure. A tribute to his work skills is the many neighbors on our street that also hired the Skinners after seeing the work done for us.

Beach was fighting the battle most of the time the we knew him and we were amazed at the courage and tenacity he showed. Our deepest sympathy to his family. We love you Ellen. Rick and Janet Bunce

From the moment he walked into the office you could tell he was a die hard chiefs fan, he was always dressed from head to toe in fan gear! We will miss his visits-spunky personality-and sideline talks post Sunday game days. Rest in peace Beach, thinking of you Ellen & family!
