“ Years ago Beryl and I were called up for jury Duty on the same day..but not chosen.she saw me walking home to catch a ride back to work and offered me a ride.she then bought me lunch.and took us back to our jobs where we both worked. I work with her but didn't know her that well. But over lunch she took me under her wing and I stayed there until she retired..She has had me to her home.and shared her life and loves. Her wonderful husband and amazing animals.she had created. A piece of heaven on earth. And it was an honor to be a part of it..She was direct.. honest and loyal..she worked hard. With a work ethic the likes I have never seen . I not only admired her.i loved her for the strong woman she was..she will be missed. I will keep Bill and the family in my prayers.. Always...

“ *I worked with her years ago. She was such a good hearted gal. Her love for her horses was amazing. She always liked being involved with the youth that loved being a part of the horse world. Gonna miss visiting with her.*
