“ Beth was the real deal. At church she would always meet me with a sweet mischievous smile and some witty story or comment. She will be missed.

“ Beth and I became friends in high school and have kept in touch all these years. She was my "music" friend, and we sang many a song together in Glee Club and smaller groups. Her sense of humor was wonderful. She stopped in to see me one day when she was near my home in Kansas City, and her feet slid right out in front of her on my slick entryway floor. Sitting there, she looked up at me and laughingly said "Well, you always told me to drop in". I will miss her so.

“ So blessed to have had Beth as a friend to my family. Her door was always open and coffee and dessert was always ready. She had a great sense of humor and we had many laughs on her back deck swing. She was a kind person and I can remember my children's school pics were on her refrigerator with all her grandchildren she talked about so much... she was very proud of her children and her grandchildren. I have much comfort in knowing she loved Jesus and is at peace now. I will always think of her during the Apple Festival each year... we always came down for that event with our family and visited with her... She will NEVER be forgotten. The Burton Family

*I only attended Stover High School for my senior year and left Missouri in 2005. Beth and I said "hello" to each other at our 2004 high school reunion. From reading the comments, Beth had her priorities right; faith, family, and friends. May Beth rest in peace.*
