“ *I'm so glad I got to know Brenda and share with her the love of Steven Tyler from Aerosmith. Everytime I would go in her room she always had a smile on her face. Rock on Brenda.*

“ *Brenda was more of my best students at Chrisman. She always had a smile on her face. She was one of the few who has kept in contact with me since graduation. I looked forward to her Christmas cards and letters. I had cancer this last year and did not send out Christmas cards. I did not know she was ill. My heart goes out to the family, but I know she is with the Heavenly Father. My prayers are with you.*
