“ I met Brian 1n 1992. We worked briefly together at 4 places which seems odd but true!

I have several memories of various moments with Brian. But what really stands out to me is his smile! I know the man has gotten angry or upset but I see Brian's smile and friendliness in his eyes! It's been years since you lived in town and I don't know how life's been for you the last 15.

I will miss you. I won't be able to drop you a random hey. You won't be sliding through anymore! Rest in peace Brian Jones!

You brought smiles and laughs to my life...thanks pal! Never forgotten! Bye bro
