“ Hey dad, I feel like stuffs starting to happen in order like in the movie "BLOW" that I had u watch to kinda understand, when u would ask why? I remember listening to ur voice crack and brought a tear to my eye. That's when I knew u loved me. I'll always remember our family holidays like when u used food coloring in the thanks giving dinner! Lol! Or 4th of July. That's was our family's favorite holiday. Blowing stuff up! Damn we had fun! I'm also gonna miss the only person I knew I could count on if I needed to fix something and wasn't sure,my Dad was just a phone call away! And u never let me down,he always knew! I'm glad u taught us everything that u did. Man I used to hate doing projects. I wish I could do one last project with! I would give anything! Well old mad, its long rough path but we stuck together and got thru it! And now u have finished the game. No more corvette, or fast bikes to do burn outs on at 3am,but I'll always have memories of My dad! I just hope one day I can be have the daddy that he didn't have to be! I miss u dad! I love you! Fagot! Lol!  
Love, wiener
