“ I've searched for over a decade for Ca'Rissa since she was such a great friend to me in Wichita, KS. I'm deeply saddened to find that she's passed. I am so glad to hear all that she was doing with her life. What a blessing it was to know her!

“ Tammy,
My deepest heartfelt sympathy is extended to you and your family in this time of unimaginable loss. Ca'Rissa was a great friend to my daughter Cayenne especially after the death of Shiloh and hasn't been forgotten even though you moved and we lost touch. No words exist to explain your pain and there are no words I can say at this time that can make a difference yet in time knowing others care with help fill the void left in your forever changed and broken hearts.
Sincere sympathy,
Sherry Rains

“ I remember when your family first moved to Wellington. We hung out everyday together. I remember when we went to Girls camp and Sarah got to come with us. Her poor little feet hurt so bad. We had somewhere to be. We each took an arm and we carried her everywhere we needed to go. We laughed and cried and sang together that summer. Praying for comfort to your spouse and children and family. Praying that you might find peace in the arms of our loving Savior. Love you Rissa!

IN MEMORY OF CA'RISSA DAWN RYDEN

If tears could build a stairway, and memories a lane, we would walk right up to Heaven, and bring you back again, no farewell words were spoken, no time to say goodbye; You were gone before we knew it; and only God knows why, our hearts still ache in sadness, and secret tears still flow, what it meant to love you - no one can ever know. Since you will never be forgotten, we pledge to you today, a hallowed place within our hearts is where you will always stay.

YOUR LOVING FAMILY AND FRIENDS

I always thought Ca'rissa was such a pretty girl especially when she was pregnant, she simply glowed.

“ *Carissa was my best friend growing up but we were more like sister's as we had lived together for a period of time. Your mommy my Aunt Tammy was like a second mom to me we were all so close. I think back to our childhood and time together and one memory keeps coming back to me though we had many. We lived in Augusta Kansas at the time in apartment building it must have been summer cause it was warm and we were not in school. Your mom loved the song Wind Beneath My Wings by Bette Mitler so much she had went and paid someone to record her singing it with the music and have it put on a cassette tape. We all listened to it your mom's voice was so beautiful. You and I began to sing that song together after that over and over we would fight who sang it better or who got what word wrong but we got good and quit fighting and started going to the swings outside of the apartment and swinging as high as we could like we were gonna touch the sky while singing that song together which is now my top favorite song. I LOVE YOU CARISSA RIP
