There were just a few of us that we're lucky enough to be with Carla from Kindegarten on. And I have to say she never changed one bit. Always cute , bubbly and cared about everyone. Prayers to Carlas family but what a wonderful Angel you have now watching over you always !!

“ *Carla and I went to Sunday school together from back as long as I can remember at the Methodist Church, and Dixie was our teacher for a number of those years. We had become good Facebook friends in the last few years, and talked about all of that at our class reunion last year. She was a kind, steadfast person with great devotion to her family and her beliefs. She took beautiful pictures and shared them with all of us, and shared her heart as well. She is gone too soon, and I am sending prayers that God will hold the broken hearts of her family in loving hands. Heaven gained a sweet angel, and she was celebrating Easter with Jesus this year.*

One of my favorite Memories was two years ago when she was so excited to get one of our Churches Purple T-Shirts. & became an Honorary Purple People. So glad I got to meet & become friends with such an amazing Mighty Woman of God. We'll meet again some day in Heaven, much Love, Hugs, & Prayers to her family.

“ I don't know where to begin. Carla was one of my best friends in high school. I can still see her delivering the mail, in the morning to the classrooms. I remember French class, home ec., secretary classes, gym classes n so many other things. Since moving away after college, I had lost contact with a lot of my friends n classmates. Then I entered the world of Facebook n reconnected with Carla n others. We sent many personal messages back n forth. I loved seeing Carla's posts n special pics and I am going to miss that. Carla is the one that encouraged me to come to my class reunion last year after 40 years and I'm glad I did. The one thing I know she loved her family n was proud of them. You could see it in every picture of sporting events, birthday parties, etc. The last thing I know is that she loved her Lord n wasn't afraid to say it. I will miss you Carla as so many from your community will. I want to send special hugs n prayers to your husband, children, n grandchildren. The one message she sent that stands out to me the most, she hopes to see her whole Family in Heaven when she is there. She loved her all very much. We will all miss you. Cindy Zook

“ *I have so many memories of Carla, I don't know which to share, but I do know how much she loved her children and grandchildren. She spoke of them often and kept me up to date. I loved hearing her stories of all the adventures and accomplishments each of them completed. I also loved seeing her pictures on FB. So many things I will miss about her, but most of all her unwavering friendship.*

“ *Sending prayers to the family, especially her children, I first met Carla as a child myself. She was pregnant with Melissa.. Very very pregnant 😊. She was so short I thought she was a child herself then my mom set me straight on that one 😊. She rented the trailer next to us that we owned. Sheri and I spent a lot of time with her and the kids. She was a great lady.. Again sending prayers of peace and comfort!*

I have a lot of good memories of Carla in high school. We had a lot of classes together and were friends. More recently I have really enjoyed her FB posts and pictures. She will be missed but I know she is in a better place.
