“ My God Mother, a perfect inspiration. Her loving personality was contagious. A gorgeous ray of light! Always happy, such a joy to be in her presents. Her creativity was endless. I remember when I was a little girl, she made my first knitted booties. I wore them until I wore them out. With Carlin's determination and high energy she accomplished her goals. When Carlin wanted something, she would get it! I'm going to miss you, though I know your soul will always be with me. Love, your niece Angela Marie Chiodini Happle
