“ I am sorry she had such a long journey to heaven. Luckily she was surrounded by people who cared for and were committed to her so fully. Particularly, Susie, Buz and Michael. I know in heaven she is with Lewis keeping a watchful eye over their family, for she embraced, claimed and loved each and every member of the clan from the moment she and Lewis said I do. Lewis adored her. Carol Lee was a gift to us all.

*Peace be with you.*
