“ Chris Stagg, The "Rabbit " WOW passed on to be with our Lord & Savior Jesus!

My wife Darla & I were reminiscing last night and she had just returned from playing "Pickleball" with our family. She asked me if I remembered The blond haired tennis player we affectionately called "The Rabbitt." We played competitively against each other in local tournaments way back in the day in Oakland NJ, and formed a friendship & mutual respect and became a very successful doubles team, winning many tournaments in Oakland, Wayne, Ridgewood, Franklin Lakes, & Wycoff NJ. and at our Pre-school & Tennis facility " The Gate. " in Oakland. We had many discussions about the Lord Jesus and became even closer friends. Chris indeed had a great sense of humor, and was full of energy and enthusiasm for life. I offer condolences to all the Stagg relatives and friends. I can see Chris seated at the Banqueting Table with The Lord eating conservatively, preparing to go out and beat St Peter in a tennis match. He was a great competitor and probably can bet St Peter, but I'm not sure he will bet Jesus but he will give him a heck of a challenge.

“ Chris was without question, one of the kindest, warm-hearted, genuine human beings that I ever had the privilege to know. A faithful servant of the Lord, he was truly a blessing to everyone he came in contact with. He had a great sense of humor and we shared many a laugh. He also had great insight and we shared many a conversation about everything from faith, to being a father, to growing and learning from experience. Chris had a major positive impact on me and still does today. He was my friend and I will miss him dearly.

"Chris lived with us last September and October. We learned to love and appreciate him as we both shared our faith and love of family each morning. He was a very generous, thoughtful and kind person. He spoke frequently of his son Jenner and sister Susan. We extend our sympathy to his family. We know he will be greatly missed as do we. We are thankful to the Lord for sending him to us during this last year of his life."

*This was just sent to me in 2024.
I knew Chris in the 1970s. Lost touch over the years but never forgot our adventures and the great impact he had on my developmental being. I remember him as always enthusiastic, ready to laugh and always happy and up beat*
