“ I will definitely miss uncle Skippy. I remember as a little girl he would always make me laugh. He would do the best uncle things an uncle does. He flicked my hair, or put his finger in my ear, or poked my nose all with a smile. He was always so sweet and so kind. He will live in my heart forever.

“ There isn't enough time or space to let you know how I felt about my Uncle Skippy. I will say however, I absolutely loved this man. Uncle Skippy was a very loving person, a very funny person and a very passionate person, when it came to his family. He was a very funny guy, and always had a great joke to tell. You will never be forgotten Uncle, your memory is instilled in the hearts of many. I'll see you later Uncle Skip....
