“ You were only on loan to me; a gift and blessing of God in my life but, you will always be my child. Even though my heart aches I know it is glorious. The family you left behind is strong, we will prop each other up and go forward. I love and will miss you more than I can conceive. Love Mom

One of my favorite memories of /Clinton was when he was 2 or 3 years old I babysit him while your mom worked. After she quiet working they came over to visit and he walked into the house and said "Aunt Jewel I am home."
