Our love and sympathy to Katie, Wilma, Sandy and Laverne. Dale's journey to heaven was a quick one. Dale was a kind, compassionate and generous person whose objective was always to do the right thing. He was instrumental in the founding, building and maintaining an Elks Lodge which was inclusive to all members and respected within the district and state. His guidance through the years helped us immeasurably. The memory of Dale will always be with us. You have your dancing legs and feet back Dale!

“ My deepest heartfelt sympathy goes out to Katie and the family. I have so many memories of Dale that I don't know where to start. His contributions and service to the Elks Lodge will never be surpassed,,he gave unselfishly of his time and knowledge to make it a great lodge. The results of his dedication and commitment are woven into the very fabric of this lodge and will remain so indefinitely. Katie, I think I speak for a lot of people when I say 'thank you for sharing Dale with us for all those years, he will be missed'! With a heavy heart, Pepsi

There are so many good things to say about Dale and his special wife Katie, may the family always remember that he was well thought of at the Elks club. I am sure there have been many other great moments in his earlier life as well. May the Good Lord bless and keep his family well.
