“ I'm sorry for your loss! I didn't know she had passed till the services were past
I Def would have come! I enjoyed getting to teach her how to piece a broken star comfort and was amazed at her zeal in continuing on with many more comforts to give away! Her love for ppl and her love for sharing will def be remembered as being who she was. She added a unique color all of its own, to my life. 😊 I'm sorry I can't talk to her one more time but she doesn't need replacements any more! I have her christmas message and we talked for 8 min. That day. I texted her on her birthday but she didn't respond. Which was unusual. God be with you as a family as you grief your loss.
