“ *When I was in high school I considered Darrell Bias one of the coolest guys in Morgan County. He was mild mannered, worked on fast cars, drag raced and sang in a band. My '65 Chevelle SS was never enough for a Bias engineered Mopar. Several Summers back a couple of my Stover friends and I sat in his man-cave and shared sweet memories. That is a special memory. We are all just walking each other Home. Rest In Peace. Rick Bealer*

Darrell was a real gentlemen who loved his family and friends. He was such a comfort to Gertrude as she was to him. A gentle man who shared his faith with all

“ So many memories of Darrell. I loved it when he would "borrow" my Chevelle to race while I was working at KC Bifocal. Spent lots of time riding around Versailles and solving all the problems of the universe with Beast. Loved him, good friend, pain free.....race on big guy

“ One of the nicest guys you would ever meet or deal with. I was raised in Stover and always new of Darrel as he always had some nice cars. I had him build a frame and mount a 454 chevy in a 37 ford 2 door coupe a few years ago and he did a fantastic job. I still have the car and every time I get under it I see his mark as he signed his name with his wire welder Bias on the frame of the car. Will always be remembered. Darrell, "The Beast", was a very special guy. We grew up together and were like brothers. His mother, Gertrude, was my "other Mother". I never ever saw Darrell in a bad mood. He lived the life he loved, Cars, Cars, Race Cars and more Cars. He adored his grandchildren and I got to see them almost every week on Facebook! He built his dream house.....with an intergral garage/shop so he didn't have far to go to work. He loved the Lord and I'm sure he's up there fixing God's cars!
