

Darryl Lee Haskin

July 10, 1958 - July 7, 2025

Darryl Lee Haskin was born July 10, 1958 to Lorin Levi Haskin and B.Fern (Gipson) Haskin in Macon Missouri and passed away July 7, 2025 at his home in Gravois Mills.

Darryl graduated from Macon High School in 1976 and relocated to the Lake of the Ozarks in 1986 with his parents to be near his sister. In 2004 he moved to Versailles after the death of his parents and went to work for Warren and Nancy Pifer at the Flea Market, Video Store in Tipton, Firework Stand and the Green House until 2018.

As per his wishes he will be cremated with a possible memorial service at a later date. He wasn't sure about having a service because he was preceded in death by most of his friends such as Warren, Calvin, Buster (Dorsey), Pat, and Tom Vogl and many others.

In lieu of flowers donations can be made to Richard and Dana Fangohr or Kidwell-Garber Funeral Home to assist with Funeral Expenses.

“ I lost my other brother Darrell (Brown) just a couple of weeks ago and today I lost my brother Darryl Haskin. He was a big teddy bear and would do anything for anybody if they needed it. I will miss him greatly. Dana and Richard
