“ From Rick and Karen Rule: I remember when I was in the hospital for an extended period of time two years ago. From what they tell me there were at least a couple times when they didn't think I would make it. But I did, and later David called me a "warrior." Coming from a Marine, that comment meant so much to me. We are very sorry we can't make it there for the Get-Together for David. Please know you are in our thoughts and prayers as you grieve and adjust to life without him.
