“ David was my cousin. We were almost twins and very close as kids. We spent summers at our grandparents out and about having a blast. As time passed we didn't see each other much and now I'm regretting that. He's no longer in pain and can be with our family members who passed before. I will miss you and remember the good times forever. Love ya❤️

David was my cousin. He was older so we didn't spend a lot of time together. But I do have memories of fun times at the lake. I'm glad he's done w the sickness. Fly high cousin❤️☐

David was my 2nd cousin. I remember him most from spending time with the family at the lake. He will be missed. Rest easy mountain man.

He was friends with my mother 20 years ago. I remember all of his mountain man things and he enjoyed educating us. He was a kind man. He gifted me a corn husk doll and a ball of lead and to this day I have it. We were just talking about him when we happened upon this terrible news. Rest easy, Dave. I will always remember the day in the driveway watching you show mom how to shoot a bow n arrow <3
