“ David graduated with my brother Barry. And when he passed David came to the visitation. He was like one of my adopted big brothers. Then worked with David starting in 2011 at the dealership. I have known David most of my life and always enjoyed running into
David out and about. He always had a smile and something nice to
say. David will be greatly missed by many people including me. God
has him now and I know he is at peace.

Beverly Gibson - May 18, 2017 at 10:32 AM

“ I will never forget , I was depressed and feeling like I needed to be
around people, I ended up running into David and Jessica, just
talking with them a bit, and the energy they had, that seemed to lift
me up, was just what I needed. God uses others like angels.
Heaven has gained a great one. 🙏
