“ David - I didn't know you, but I am friends with your Mom. If you were anything like her, you were a kind soul who would help others with passion. You were a light in other people's lives. I hope your landing at the Rainbow Bridge was gentle and that you are reunited with your relatives and cuddly cats. RIP David.

You didn't know David very well. He was a thief, having stole, burnt or destroyed everything I have ever owned in my life. I praise God that he is burning in hell.

“ *David was a lot of fun to work with and always held his own amongst us women. We all enjoyed razzing him but he took it like a champ. Now you can race the heavens.*

“ *I will always remember David's BIG, BOOMING Laugh!!! Yes, I agree with his friend John who said below: "You were one of a kind Dave."*

He always had time to answer my tons of technical computer and smart phone questions!

He loved and respected his family, especially his grandparents! He loved his pets!!!

Sympathies to Jessica and his family. I thought of him as my 'work kid'. Will miss him dearly! ~ Ronda
