“ *My heart goes out to each and everyone of you. David, I always looked up to He was a very kind and happy person. You just knew he was truly blessed with a deep love of others..*

I was the baby of the family. David was my cousin and also my first crush. I only got to see my cousins in the summer or on holidays. We did have a lot of good times many years ago. I will truly miss his smile.

He will be in a better place with all of my adult family. Love to all of you.....
