“ It's been such an honor to get to know you and work with you. In the short time I've been blessed to live our lives along side one another you showed me what it meant to be strong and have grace in times of great pain and sorrow. You never lost hope and always believed things would get better. No matter what was going on in your life you never stopped thinking of others. The last time we spoke you were still asking me about my family. God love you Davida. You were one of the most kind, giving and beautiful people I've every had the honor of knowing. You will make one of God's great Angels up there and I know you will be forever watching over your children. Love you....Laurie Mounce, RAI Waterloo

*Do not stand at my grave and weep;  
I am not there. I do not sleep.  
I am a thousand winds that blow.  
I am the diamond glints on snow.  
I am the sunlight on ripened grain.  
I am the gentle autumn rain.  
When you awaken in the morning's hush  
I am the swift uplifting rush  
Of quiet birds in circled flight.  
I am the soft stars that shine at night.  
Do not stand at my grave and cry;  
I am not there. I did not die.*

*Always in my heart little sister. You are at peace. jodi*

“ *May the road rise up to meet you.  
May the wind be always at your back.  
May the sun shine warm upon your face;  
the rains fall soft upon your fields and until we meet again,  
may God hold you in the palm of His hand.*
